Principal's Page

Dear Family,

In looking ahead at what promises to be an exciting year at Riverhill, I think of the high level of dedication and effort that our staff and parents put forth to make our school the most esteemed school in our area. While we focus on academics at Riverhill, we also work extremely hard in promoting positive character development in our students. Character education is integrated into our daily curriculum as we truly feel that developing positive character within our students, along with solid academic skills, will give our students the skills they need for future success. We appreciate the support our families provide by partnering with Riverhill in developing positive character within our students.

Thank you to Mrs. McGee and all who assisted in making Beach Bum Day 2011 a huge success.

Have a blessed week!

Mrs. Brocato
